# Yash Datir

Software Engineer at SmartQ | 4.5+ Years ReactJS & Frontend  
Development Expert | Building Intuitive User Experiences  
Bengaluru, Karnataka, India

## Summary

As a dedicated Software Engineer with 4.5 years of hands-on experience, I specialize in crafting robust and intuitive user interfaces, primarily leveraging ReactJS. My professional journey spans dynamic environments at SmartQ, Xelpmoc, and IntelliMediaNetworks, where I've contributed to diverse projects and honed my skills in frontend development.

While my core strength lies in frontend, I also possess working knowledge of ExpressJS, AWS Lambda, AWS S3, and ElectronJS, allowing me to approach challenges with a broader, more holistic perspective.

I'm always eager to connect with fellow professionals, collaborate on exciting projects, and contribute to cutting-edge technological advancements.
